Checklist Before Traveling:

1. Hire TTC to gather your mail and packages.

2. Set light timers.

3. I suggest using products in your home to save energy such as Nest.

4. Set cameras on high sensitivity. *(I use Belkin Drop Cameras)*

5. Leave a copy of passport in the house.

6. Set all bills up on auto pay so you don't have to worry about real world responsibilities while traveling.

7. Tell your CC Company you will be traveling that way you won't have them block any purchases.
